Certificate

Project and Program Management

This program offers the latest project management principles and tools to quickly develop project plans, extending beyond the PMI Body of Knowledge (PMBOK®), with PMI®-certified instructors from Silicon Valley and methodologies like Scrum, Kanban, and Scrumban. The Project and Program Management program consists of three required courses, two to three elective courses and one capstone course.

Total Units: 15

Completion Time: 9-12 months (full-time)

Modality: Online, in-person, or choose a mix of both.

Special Programs: F-1 Compliant and WIOA/TAA Funding Approved.

*Courses may have prerequisites; review the course page before enrolling. A checkmark indicates the course is typically offered during that term. **
